PROFESSIONAL EXPERIENCE

Sustainability Data Analyst Intern, **Center for Sustainability Education**, Dickinson College

Dec 2021 – Present

- Collect and analyze datasets on Dickinson's climate action plan, greenhouse gas emissions, and behavior-change initiatives and campaigns on campus
- Prepare reports using Excel (Pivot tables, What-if Analysis) and Tableau for data visualizations on energy use in buildings, budget performance, and waste management
- Develop evidence-based practices and solutions for notable issues, presented for senior researchers.

Investment Intern, **Savills Vietnam**, Hanoi, Vietnam

Apr – June 2021

- Studied the basics and practices of Vietnam's real estate market through investment channels
- Created investment memorandums for potential Vietnam hotels and resorts by analyzing financial documents and researching the local/international market as requested by investor clients.
- Conducted feasibility studies by modeling prices, net operating incomes, and market values of the property

Research Assistant, **Jenny Tue Anh Nguyen (Ph.D.)**, Hanoi, Vietnam

Aug 2020 – July 2021

- Supported Dr. Nguyen at Blavatnik School of Government remotely with her work on the competitiveness analysis of energy wholesale markets in Vietnam and four other Southeast Asian countries
- Constructed a database of power plants, public/private companies, and relevant financial information
- Designed data collection and sourcing methodologies with query automation based on MySQL, Python, Airtable, and Social Network Analysis
- The database, when complete, will be a useful resource for further research into energy economics

Research Intern, **Think Tanks & Civil Societies Program**, University of Pennsylvania, PA

Oct 2020 – Jan 2021

- Wrote literature review on Vietnam's think tanks and Southeast Asian policies as part of the publication report "2020 Global Go To Think Tank Index Report"
- Promoted the role of think tanks in the policy-making process through workshops with intern leaders

CLASS & VOLUNTEER EXPERIENCE

Teaching Assistant/Quantitative Reasoning Associate, **Dickinson College**, Carlisle, PA

Dec 2021 – Present

- Organize tutoring sessions for students in course INBM 110 (Fundamentals of Accounting) and MATH 171 (Multivariable Calculus)
- Support the professor with administrative works and lesson preparation

Advanced Tax Volunteer, **Volunteer Income Tax Assistance Program**, Carlisle, PA

Nov 2019 – March 2020

- Assisted the locals in preparing for their tax refunds and carefully answering any of their tax inquiries
- Improved consulting skill by practicing explaining tax concepts and procedures to the clients

Vice President, **Dickinson Vietnamese Students' Association**, Carlisle, PA

June 2019 – Nov 2021
